Linklaters Concierge Newsletter

July | August 2013 | www.linklatersconcierge.be

School holidays

School is now over! One of the biggest issues is that parents have too much to do and it's easy for kids to get bored during the holidays, but by encouraging activities, you can make sure your kids stay active and have an educational summer. Looking for activities? We have plenty of ideas of fun things to do in Brussels, Flanders and Wallonia.

Dry cleaning deal

During both July and August, your Linklaters concierge, in partnership with Omnidaim, offers you one free shirt ironing for every single piece of clothing you bring for dry cleaning, i.e. you give one jacket? You get a shirt ironed for free. Two trousers? Two shirt ironed. A great way to experience another professional service provided by [Omnidaim](#).

Last minute travel

Holidays! You have been waiting for this moment for a while but still have no idea of where to go or what to do. With our travel partner, we can arrange a wide range of trips depending on your wishes, needs and budget. Don't waste your time on the phone or queuing for tickets and hotel reservations. We'll find the perfect destination in no time.
