Promotion ironing

Until the end of October, the more you bring us clothes to iron, the less you will pay. Together with our Partner, Yes We Can, we offer:

- 10 pieces +1 free
- 15 pieces +2 free
- 20 pieces +3 free

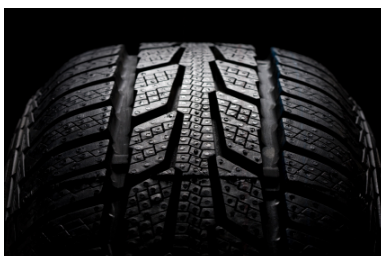

Permanent discount on Tartes de Françoise

Tartes de Françoise, the famous Belgian pastry cook company has reduced all its prices on pies. Good news for Françoise's fans and an opportunity for others to discover the taste of these killer pies! From now on, benefit also from free delivery to Linklaters on all your orders. Needleman and shoe repair twice per week

We have heard your feedback and have taken it into account. Sometimes you had to wait for more than a week to get your shoes or clothes back. One weekly delivery was therefore not enough. We now work with another company and we can offer you two deliveries a week: on Wednesdays and Fridays.

Need to get your tyres changed?

It is crucial to choose the right tyres depending on the season. Summer tyres are not particularly well suited to severe winter conditions. Your concierge can help you find a professional who will fit winter tyres and store your summer tyres.
