Eastern: Time to order

Even though the weather does not play nice (yet!), Eastern is around the corner. At Linklaters Concierge, we do work this year with GODIVA to bring your eastern chocolates right to the office. How does it work? Choose your chocolates [from the collection](#) and order at the conciergerie until Wednesday, 27.3. We deliver free of charge on Friday, 29.3., right at your office! Style: Hairdresser

TONY & GUY staff recently moved to become SIZE COIFFURE, located now at Place Fernand Cocq 4. As partner of Linklaters, SIZE will do you hair at a preferred rate all week long when showing your business card! 15% off from Monday to Thursday and 10% off on Friday and Saturday! Call our neighbors for a new hairdo : 02 852 63 82

Motor: Spring clean

Its not about a simple car wash: Its about complete vehicle cleaning! Imagine: One man cleans your vehicle by hand during 1 to 1.5 hours - inside out. Exterior and interior wash, dust plastics, vacuuming, windows cleaning, floor mats surface cleaning, air freshener and tire shining offered. All for 65 € (berline) or 75 € (SUV/break) - on site at Linklaters. Perfect for a complete spring cleaning!

Personal: Shopping

Sometimes there is just not enough time to do everything yourself. Like for the engineer that needed to urgently visit the town hall while being on business travel. Or for the marketing assistant that needed a last minute shopping for the evening invitation she held. Please contact the Conciergerie: We run errands for you! [Request pricing.](#)
